KOLAR DISTRICT.

Proclamation.

With the approval of Government, it is hereby announced as follows, under Section 8, clause (1) of the new Mysore Municipal Regulation:—

It is proposed to constitute the local area described in the subjoined schedule a Municipality under the said Regulation.

All persons who entertain any objection to the said proposal are hereby required to submit the same, with the reasons therefor, in writing to the Deputy Commissioner, Kolar District within two months from the date of this proclamation.

MIR HUMZA HUSSEN
For *President.*

Description of the proposed boundaries for Kolar Municipality.

North.—The boundary line starts near the end of Survey No. 28 of Kolar from the existing Municipal boundary stone on the Kolar-Sompur road and crossing the Kolar Sompur road, follows the western boundaries of Survey Nos. 30-31 and 32 of Kolar and then turning to the east and passing along the northern boundary of Survey No. 32 of Kolar, comes to the north-eastern boundary stone of Survey No. 32, where will be located a Municipal boundary stone. The boundary line then runs straight across the bed of the Kodikannur tank to the Municipal boundary stone on the bund of the tank in the Kolar-Srinivaspur road and thence turning in a south-easterly direction follows the course of the sluice channel in Survey Nos. 82-85-86-73-72-71-70-63-62-59-57-56 of Kodikannur village and then joining the discharge channel of the Kodikannur tank at the end of Survey No. 58 of Kodikannur village, follows the course of this discharge channel and uniting with the discharge channel of Kolar-Amanikere tank proceeds in a north-easterly direction up to the point where the sluice channel from Kolar-Amanikere tank and the combined discharge channel touch near the northern extremity of Survey No. 64 of Kolar village. Here there will be a Municipal boundary stone.

East.—The boundary line begins at the last mentioned Municipal boundary stone and follows the course of the sluice channel as far as Survey No. 84 of Kolar village and then entering the Kolar-Amanikere village and proceeding along the same sluice channel reaches Kolar-Amanikere tank bund on which there will be a Municipal boundary stone near the registered number stone of the tank from the last mentioned boundary stone, the boundary line passes in a straight line in a south-westerly direction to the south-eastern boundary (pahani) stone of Survey No. 153. There will be a Municipal boundary stone in the bed of the tank on the straight line. There will also be a Municipal boundary stone at the south-eastern boundary stone of Survey No. 153. The boundary line passes from the latter in a staight line to the south-western boundary stone of Survey No. 177, where there will be a Municipal boundary stone.

South.—From this point the boundary line crosses straight to the south-eastern boundary of Survey No. 179 of Kolar. Here will be located a Municipal boundary stone on the road. From the Municipal boundary stone the line proceeds to the north of a natural channel on the southern boundary line of Survey Nos. 179-189-188-187-192-193 and 194 of Kolar meets the cart-track leading from Chamanahalli to Kolar at the south-western boundary of Survey No. [illegible] of Kolar and thence crossing the cart-track meets the pahani stone between two bonds on the south-east of Survey No. 214 of Kolar and thence proceeding west and then north on the southern and western boundaries respectively of the same survey number, meets the southern boundary line of Survey No. 215 of Kolar and thence proceeding in a north-westerly direction the boundary line of the said survey number reaches the point where the village of Chamanahalli-Harohalli and Kolar meet and thence crossing the cart-track leading from Bagali to Kolar reaches the south-eastern pahani stone of Survey No. 216 of Kolar village. Near this point there is a Municipal boundary stone.
